## CAREGIVER TIPS

(list tips here, include printed tips for use in the program. Can include early learning tips, SEL tips, talking about race tips, etc. Find [tips in our database](#), or [add a new one](#) to share with the team)

**Again ... and again!** Children love, and learn from, repetition. Don't be afraid to read the same book over and over.

**Snuggle Up and Read!** Holding your baby close while reading helps connect the things they love most - your voice and being with you - to books!

**Talk About Fairness!** Use "fair / unfair" when talking about racial stereotypes in picture books. "Wow, this picture book only included white male inventors. That's unfair. Did you know that \_\_\_\_\_ created things, too? Let's read about some famous \_\_\_\_\_ inventors."
