## SONGS, RHYMES & FELT BOARDS

5 juicy watermelons

5 little jelly beans

5 little strawberries (with bunny puppet)

5 little ice cream cones

### **Ice Cream Sensation**

First we need a cone, nice and crunchy

Then we need some ice cream, sweet and yummy,

Scoop 'em on, stack 'em on up to the sky

We love ice cream; my, oh my!

First comes vanilla, cold and sweet

Then comes chocolate, a delicious treat.

Here's some strawberry; orange sherbet, too,

A super-duper scooper cone just for you!

1 scoop, 2 scoops, 3 scoops, four

We love ice cream! Let's have some more!

### **Lemonade Lemonade**

Lemonade, lemonade (bounce baby)

Filling up my cup

Sweet and tart and icy cold (*tickle baby's back for shivers*)

I can't wait to drink it up. (*snuggle baby to eat them up!*)

### **My Lemonade is Cold (to the tune of "Farmer in the dell")**

My lemonade is cold, my lemonade is cold

Fill my cup, I'll drink it up!

My lemonade is cold

My lemonade tastes great, my lemonade tastes great

Sour and sweet, a summer treat!

My lemonade tastes great

### **Five big lemons in the bowl**

Five big lemons in the bowl

One fell out and started to roll

It bumped off the table and hit my toe

How many lemons in the bowl

1, 2, 3, 4

Four big lemons...

### **Picked a strawberry (to the tune of clementine)**

Picked a strawberry,

Picked a strawberry,

That was growing

In the sun,

Then I washed it,

And I ate it,

And I picked another one.

(*watermelon, mango, other yummy fruit?*)

## ADDITIONAL ELEMENTS

- + Rabbit puppet for strawberry flannel board
  - + The kit is coming with the “loose parts” toys. Encourage kids to create their own sundaes! You can use your stapelsteins for ice cream bowls!
- 

## CAREGIVER TIPS

A “taste” for Reading! For older babies, books become toys to grasp, open, close, and even chew on! Learning to love books starts with actively exploring them.
